 NO

Not accepted  
 However, Entry allowed if PAX has a newly obtained visa after VISA suspension (Included Visa for Residence Track/Business Track) or have a re-entry permit for Japan.  
 "Confirmation letter" or "Covid19 test certificate." is NOT required.

[Regarding special exceptional circumstances]  
 If any of the following (1) to (4) applies to the foreign national, landing will be permitted on the premise that there are special exceptional circumstances.  
 From the standpoint of preventing and controlling epidemics, please note that, in principle, additional epidemic prevention and control measures are required for entry and re-entry as described in the "Additional epidemic prevention and control measures for the entry and re-entry of foreign nationals".  
 (1) Foreign nationals entering Japan with re-entry permit who fall under any of the following.  
 • Foreign nationals who departed from Japan until August 31 with a re-entry permit (including a special re-entry permit; the same applies hereinafter) ※After November 1st, the confirmation of submission of re-entry documents will not be required.  
 • Foreign nationals who departed from Japan with a re-entry permit on or after September ※After November 1st, the Receipt will not be required.  
 (2) Foreign nationals newly entering Japan who fall under any of the following  
 • Foreign nationals who departed from Japan with a re-entry permit before August 31 and who were not permitted to re-enter Japan because the validity period of the re-entry permission expired after the country/region of stay was designated an area subject to denial of landing (\* Note ).  
 • Spouse or child of a Japanese national/permanent resident  
 • Spouse or child of a foreign national who has a status of residence of "Long-Term Resident" whose family is staying in Japan and who has been separated from the family.  
 • A foreign national who is about to acquire the status of "Instructor" or "Professor" and who needs to enter Japan to fill a vacancy at the educational institution s/he belongs to, of which vacancy results in the suspension of the educational activities at the above-mentioned educational institution.  
 • A foreign national who is about to acquire the status of "Medical Services", and who contributes to the enhancement and strengthening of Japanese medical systems.  
 • Foreign nationals who will enter Japan after October 1 and who meet the condition that their receiving companies/entities in Japan can ensure required epidemic prevention and control measures (\*except for those who are about to acquire the status of residence of "Diplomat" or "Official". As for those who are about to acquire the status of residence of "Temporary Visitor", limited to those who got a visa for the purpose of temporary business. Please refer to the following about the details of the procedures: Ministry of Foreign Affairs website)  
 (3) Foreign nationals applying for landing in accordance with the "Phased Measures for Resuming Cross-Border Travel" (Note 4).  
 (4) In addition to the above (1) to (3), foreign nationals who are recognized to be in special exceptional circumstances corresponding to an individual situation such as the need for humanitarian consideration (\*Note) Depending on the purpose of your entry, you may need to get a Certificate of Eligibility at the regional immigration bureau and get Japan Visa at the Japanese embassy/consulate in the country/region.

**OK to board / Entry Permitted**

Before entering Japan "Antigen TEST" must be conducted ※Except for U.S Diplomats

Result of Antigen Test	<ul style="list-style-type: none"> <li>■ Positive/NO symptoms : Send to hotel for medical observation</li> <li>■ Positive/with symptoms : Send to Hospital</li> <li>■ Negative : Proceed to Immigration</li> </ul>
